

Calling All Recent and Soon to be Graduates!

Did you know that IISE offers you 50% off of membership dues for the first year that you are a member after graduation? When it comes time to renew, be sure to select the First-Year Graduate Membership option.

For only \$79, you'll have access to the same benefits as professional members at half the price!

- Find a job with the IISE Career Center
- Gain new skills through discounted training in the IISE Training Center
- Receive a subscription to *ISE Magazine*
- Participate in the Young Professionals Group
- Network with members from around the world at a discounted price during IISE conferences
