NOTES

IISE offers courses in three formats:

- (1) Live In-Person – On-site and in person using a standard classroom format.
- (2) Livestream – A live instructor delivered via the internet using Zoom or similar technology.
- (3) Online On-Demand – Self-paced asynchronous internet-based training.

Corporate courses are tailored to each partner organization and can be delivered in any of the above formats.

Pricing listed is current as of the April 1, 2025 and reflects the live/livestream registration fee per person.

Online on-demand courses are typically discounted from these prices. Visit the course pages to learn more.

Group pricing and corporate discounts are available. Contact [James Swisher](#) for more information.
